## **Correctional Healthcare Management**

# **CFG HEALTH SYSTEMS, LLC**

**CFG Health Systems, LLC** is a nationally-recognized organization known for providing the most advanced, cost-effective and comprehensive healthcare services available today.

Incorporated in 1999, CFG maintains a staff of over 650 medical professionals responsible for managing care at correctional facilities throughout the Mid-Atlantic region.

### **OUR EMERGENCE AS AN INDUSTRY LEADER CAN BE ATTRIBUTED TO:**

- ▶ **An intense focus on excellent clinical care and client service**
- ▶ **An ability to quickly integrate new contracts into a single, coordinated management infrastructure**
- ▶ **A clinical program based on evidence based practices and community standards of care**
- ▶ **A belief that every individual deserves to be treated with dignity and respect**
- ▶ **Our ability to provide scalable services to facilities of all sizes**
- ▶ **Significant experience with NCCHC and ACA accreditation**
- ▶ **Alliances with community programs to reduce recidivism and support continuity of care**
- ▶ **A demonstrated ability to reduce costs**
- ▶ **A highly skilled upper management team**
- ▶ **A comprehensive suicide prevention program**

### **COMPREHENSIVE HEALTHCARE MANAGEMENT SERVICES**

- ▶ Medical Services
- ▶ Psychiatric and Psychological Services
- ▶ Management Consulting
- ▶ Comprehensive Program Design & Development
- ▶ On-Site Education
- ▶ Policy Development
- ▶ Telemedicine
- ▶ Professional Staffing
- ▶ Accreditation
- ▶ Pre-Parole Evaluations
- ▶ Employee Assistance Programs
- ▶ Officer and Correctional-Based Services

**CORRECTIONAL TELEPSYCHIATRY:** Confidential, face-to-face encounters with mental health professionals, regardless of patient location or time of day. Eliminates risks associated with inmate transport outside the facility - without compromising the quality or availability of care. Safety and security are enhanced due to reduction in the need for transport outside of the secure environment

### **UTILIZATION REVIEW**

- Keeping the well-being of patients the primary focus, CFG's Utilization Management Program ensures clinical decisions are made by informed clinical leadership.
- Physicians review all decisions both concurrently and retrospectively.
- A well-defined, systematized process used to assess patient status and ensure accountability.

### **CONTINUING QUALITY IMPROVEMENT**

Continuous Quality Improvement (CQI) is integral to the provision of both clinical and non-clinical services. Through its CQI initiatives, CFG ensures patients receive care that meets or exceeds government and community standards. With our CQI program firmly in place, CFG has an objective and systematic means for evaluating the quality and appropriateness of care; for addressing concerns; and for pursuing opportunities for improvement.
